Morisien li lang maternel environ 90% popilasian Repiblik Moris; larestan 10% servi li kouma zot deziem lang. Akoz sa nou kapav dir ki li nou lang nasional defakto mem si lalwa pa ankor rekonet sa. Si nou ole reysi dan nou proze LITERESI INIVERSEL, setadir tou dimoun konn lir ek ekrir, nou bizen servi Morisien kouma mediom pou demar proze la. Me nou kone ki literesi dan zis enn lang li pa ase pou plizier rezon (developman pei, developman endividiel, developman mantal ek kiltirel). Akoz sa nou propoz enn proze LITERESI BILENG. Kifer Angle kom deziem lang? Ena 3 rezon. Premie rezon se ki Angle li nou lang ofisiel e pa ena okenn rezon pou sanz sa. Deziem rezon se ki Angle li lang plis enportan pou komunikasion internasional. Trwaziem rezon se ki Angle li enn lang Kreol e enn Morisien ki konn lir ek ekrir so lang nasional (Morisien li osi enn lang Kreol) li pou aprann Angle ar boukou facilite.

Kan nou pe montre enn debit an lir ek ekrir lang ki li deza konn koze, setadir Morisien, nou bizen dabor ed li pou rekonet bann **son** ki servi dan lang la. Enn mo li enn siksesion son. Ena fraz senp, fraz konpoze ek fraz konplex. Apre li pou aprann ekrir paragraf, ese, lartik, zistwar ets.

Kan nou pe montre enn dimoun lir ek ekrir, so zenn kouma so vie, nou koumans par seki senp ek facil e amizir nou avanse, nou entrodir zafer enpe pli difisil ek ankor enpe pli difisil ziska ki nou zelev kapav diboul tousel lor so li pie. Anou avanse tipa-tipa ziska ki sime tous lasours.

### KATRIYEM PA

#### BANN FRAZ

Enn fwa ki bann etidian finn konn korespondans ant son ek alfabet, konn fer diferans ant bann differan **GROUP MO** nou kapav manz ar sa bebet ki apel fraz. Ena trwa kalite fraz: fraz senp, fraz konpoze ek fraz konplex.

#### FRAZ SENP

Dan program debitam fraz senp li bien kourt parski li bazik. Li ena zis **SVO** (size, verb, obze). Me enn fraz senp kapav vinn bien long. Get sa lekzanp la: "*Toule Dimans gramaten Bala manz dipen so-so ar gatopima anba lavarang laboutik*". Ler azout azektif ek adverbial (enn group mo ki fonksionn kouma adverb letan, manier ek landrwa) fraz la vinn long me li res enn fraz senp. Finn azout azektif 'so-so' ki kalifie 'dipen'; finn azout adverbial letan ki dir nou **kan** aksion la fer: '*toule Dimans gramaten*'; finn osi azout adverbial landrwa ki endike **kot** sa arive: '*anba lavarang laboutik*'; ena osi enn averbial manier ki donn lenformasion lor **kouma** aksion 'manz dipen' pe fer: '*ar gatopima*'.

#### FRAZ KONPOZE

Enn fraz konpoze se de ou plis fraz senp ki atas ansam ar led konekter kouma **me, ek, ni ... ni, swa ... swa**. Anou get detrwa lekzanp:

1. Mo kontan manz dipen **me** mo prefer farata. (I like bread but I prefer paratha/farata.)
2. Mo kontan sante **ek** danse **me** mo pa fer toulede anmemtan. (I love to sing and dance but I don't do both at the same time.)
3. **Ni** mo bwar rom **ni** mo fim sigaret. (Neither do I drink rum, nor do I smoke cigarettes.)
4. **Swi** to manze, **swa** to get televizion **me** pa toulede anmemtan. (Either you eat or you watch tv but not both at the same time.)

Dan katriyem fraz ena 4 fraz senp ki atase ar konekter: 1. Manze. 2. Get televizion. 3. Pa manze anmemtan. 4. Pa get televizion anmemtan.

#### FRAZ KONPLEX

Dan enn fraz konplex kapav ena plizier fraz ki konekte me enn ladan dominan e lezot sibordone. Nou get enn lekzanp: "*Mo finn dir li falepa koz manti parski enn zour li pou zwenn tase kan kikenn dekouver ki seki li dir manti net.*" (I have told him he must not tell lies because one day he will be caught when someone discovers that what he says is not true.)

Anou analiz sa fraz konplex la. Me avan anou pran enn ti prekosion: olie dir dan enn fraz konplex ena bann fraz sibordone, nou pou dir ki dan enn fraz konplex ena **KLOZ** prensipal ek sibordone.

KLOZ	FONKSION
1. Mo finn dir li (I have told him)	kloz prensipal/main clause
2. falepa koz manti (he must not tell lies)	kloz nom sibordone obze direk verb 'dir' dan kloz 1
3. parski enn zour li pou zwenn tase (because one day he will be caught)	kloz adverb rezon sibordone ki modifie kloz 2

4. kan kikenn dekouver (when someone discovers)	kloz adverb letan sibordone ki modifie kloz 3
5. ki seki li dir (that what he says)	kloz nom sibordone obze direk verb 'dekouver' dan kloz 4
6. manti net (is not true)	kloz azektif sibordone ki kalifie kloz 5

Analiz fraz konplex pou ed etidian amelior zot nivo literesi an Morisien e lerla zot lekritir an Angle 'si pou ameliore.

### **Etidie sa bann fraz konplex la e analiz zot.**

##### P.B.SHELLEY'S OZYMANDIAS

I met a traveller from an antique land  
 Who said: "Two vast and trunkless legs of stone  
 Stand in the desert. Near them on the sand,  
 Half sunk, a shattered visage lies, whose frown  
 And wrinkled lip and sneer of cold command  
 Tell that its sculptor well those passions read  
 Which yet survive, stamped on these lifeless things,  
 The hand that mocked them and the heart that fed.  
 And on the pedestal these words appear:  
 'My name is Ozymandias, King of Kings:  
 Look on my works, ye mighty, and despair!'  
 Nothing beside remains. Round the decay  
 Of that colossal wreck, boundless and bare,  
 The lone and level sands stretch far away.

##### THE FOUNTAIN by D.V

This hard road is mighty long  
 This long road is mighty hard  
 How many are they who trod it's dust  
 Fiery darts are in the sky  
 Choking dust is in my mouth  
 And my throat narrows down to gasp  
 The fresh fountain's miles ahead  
 All so clear, all so cool  
 That's where we'll all drink our joy

Graveyard's full of pretty flowers  
 Where pals lay down their arms  
 The road goes by the burial ground  
 My life's just a speck of dust  
 Which seeks sleep in a graveyard  
 But hope will not blow out its light  
 For each light which does go out  
 Thousands will kindle new hope  
 Showing the way to the fountain

Darkness tries to gobble me  
 The swamp tries to swallow me  
 Some pals and I are huddling through  
 But tomorrow who'll be there  
 When the sun sucks in the swamp  
 Who's not buried in petals  
 Some are gone who once were here

Zordi nek enn souvenir  
Souvenir ki lour dan mo leker

**Ben Jonson's COME, MY CELIA**

Come, my Celia, let us prove,  
While we can, the sports of love;  
Time will not be ours forever;  
He at length our good will sever.  
Spend not then his gifts in vain.  
Suns that set may rise again;  
But if once we lose this light,  
'Tis with us perpetual night.  
Why should we defer our joys?  
Fame and rumor are but toys.  
Cannot we delude the eyes  
Of a few poor household spies,  
Or his easier ears beguile,  
So removed by our wile?  
'Tis no sin love's fruit to steal;  
But the sweet thefts to reveal,  
To be taken, to be seen,  
These have crimes accounted been.

**LONDON (William Blake)**

I wander through each chartered street,  
Near where the chartered Thames does flow,  
A mark in every face I meet,  
Marks of weakness, marks of woe.

In every cry of every man,  
In every infant's cry of fear,  
In every voice, in every ban,  
The mind-forged manacles I hear:

How the chimney-sweeper's cry  
Every blackening church appals,  
And the hapless soldier's sigh  
Runs in blood down palace-walls.

Now only a memory  
Memory heavy on my heart

We must all clear out a path  
We must all build out bridges  
Step by step towards the fresh fountain  
Even if we don't get there  
Our children surely will  
For dust will turn into light  
The fresh fountain's miles ahead  
All so clear, all so cool  
That's where we'll all drink our joy

*Translated into English by David Coy*

In the beautiful country of Mauritius there was a woman and a man who were unable to have children. They had tried many treatments to have a little baby. They had knocked on the doors of all the gynaecologists in Mauritius, they had been to see the top specialists in other countries too. They had travelled to France, England, America, South Africa and many countries besides. They had searched high and low, but unfortunately even the greatest minds around had told them that they would never be able to have a child.

The woman cried continuously. The man loved his wife very much and tried everything to console her. He said: 'It doesn't matter my darling! Look at how many people don't have children. I love you! That's the important thing!'

One day the woman went to the market to buy some vegetables and fruit; there she saw an old woman begging on the charity of passers by. Her clothes were torn, and her face was lined with age. In her mouth she had no teeth at all. Her feet were swollen like the feet of an elephant. The merchants in the market would hit her with sticks and throw rotten vegetables at her. They swore at her and they pushed her out of the marketplace. When the woman saw this her heart was filled with pain. She asked: 'Why do you treat this old woman like that! Can't you see that she is poor? Let her find some food to eat and stop treating her so badly!'

The merchants replied saying: 'She is a thief, she steals vegetables and snatches fruit. When we ask for payment she never has any money!'

The woman became very sad and told the old lady: 'My car is in the car-park. Come with me and I will take you to my house. You can take a good hot bath and I will give you some clean clothes to wear. Then I will give you a good meal to eat. You will soon feel much better.'

When the old woman had finally finished her meal, she felt very contented. She smiled broadly and said: 'Tell me what it is that you want, I will give you all that you ask for!'

'You surprise me! What can you give to me when

you yourself have nothing?"

'Don't judge me by my appearance! People make me sad. They abuse me, but they don't know what is in my heart.'

'Huh! Explain what you mean.'

'If I had not lived like this I would have never known the mentality of people. I would have never known how people can be such egotists, so materialistic. Their eyes are closed and they can't see further than the ends of their noses. They think only for themselves! Tell me what would make you happy, you would please me very much if you told me.'

'My husband and I are well off. There is nothing that we really need. We have a house and a car, money and plenty of food, but there is a lot of sadness in our hearts. It has been nearly 12 years since we were married and yet we have not been able to have a child. When my husband and I die all we have will vanish behind us. It will be as if we had never existed...there will be no trace left.'

'Don't be so sad. There's no need for you to worry. I give you my word. You will have a beautiful son. I must thank you for the great kindness that you have done for me. Now I must go. Farewell.'

The woman had no chance to ask any more questions, the old woman had already gone. After two or three days the woman had forgotten what the Old lady had told her. She continued to live her life the same as before.

Three months later, there came a day when her husband stroked his hand across her stomach and the expression on his face changed. He became a little worried and said to his wife: 'Your stomach is larger! This is not normal! I think you must have a tumour. Quickly, let me take you to the doctor before it becomes more serious. It's best not to joke about these things, there's not a minute to waste!' Straight away the man put his wife into his car and drove to the doctor. When the doctor had finished his examination he said: 'It is true that you have something growing in your stomach...' but the doctor was not able to finish his sentence.

'Tell us if it is dangerous' said the man, 'Tell us if you have to operate.'

The doctor replied: 'You didn't let me finish. Your wife has something growing in her stomach, and it will continue to grow. Can't you guess why? Why? Because this swelling will bring much luck to your family. Your wife is expecting a child!'

The couple were overjoyed at the words of the doctor and they kissed him.

Later, when the couple returned to their house, the man refused to let the woman do anything. He gave her all his attention, all the love that he had to give. He gave her a glass of milk in bed every morning. He served her good hot food. They went out together to buy all the things for the baby.

The baby was born exactly nine months after the old lady had been brought to their house. They called him Yanndou.

Yanndou's mother and father were so happy that they had brought a child into this world after 12 year of marriage that they gave the biggest party that had ever been seen in Mauritius.

They invited all the people that they knew to the party. People came from many other countries. They had to hire a bungalow by the beach to accommodate all the people who came from abroad. In the evening after a grand dinner where a dozen kinds of food were served, there was a tremendous fireworks display of such colour and spectacle that it was the first time that Mauritius had witnessed such a quality display.

Yanndou's mother searched high and low to try and find the old lady to invite her to the party. When the old lady came the people said: 'A beautiful party like this and they invite a person like that! This is no place for her, she should be in a dustbin.'

Yanndou's mother did not want to hurt her invited guests and so she remained quiet, she let the people pass their comments. One even said: 'Don't let that old woman get close to the child, she will put bad sores on him, her germs will go onto him.' But Yanndou's mother didn't listen to them.

When the Old Lady approached the cot where the baby lay, she stared into Yanndou's eyes. She placed the palm of her hand gently onto his head and she said: 'Your big eyes are as black as longann stone, your long black eye-lashes are like silk. Your black hair is like satin and your beautiful smile is like Krishna's, you skin is like that of a peach. One day you will become a great man my son.. Your eyes will sparkle like the stars in the sky. You will be exceptionally intelligent.' Then she turned to Yanndou's mother and father and said: 'I hope I will see this great man in my lifetime.'

Later, as Yanndou stared to grow, he became interested in just one thing. Lorries! Everytime you asked him what he liked he would reply 'lorries'. There was not a shop that could rival Yanndou's lorry collection. He was constantly spoiled, and everyone loved him and they always gave him

Vie bonnfam pa ti reponn, li ti donn Yanndou so ti kamion, li ti ale. Letan Yanndou ti gagn dezan, li ti vinn enn exper lor kamion. Plis enn kamion gro plis li kontan kamion la. Ofiramizir Yanndou ti pe grandi so lamour pou kamion ousi ti pe kontinie grandi. Li ti pe obliz so papa amenn li get kamion lor lari. Kan li ti pe trouv kamion salte, li ti pe tap so de lame, li ti pe dir "kamosal". Papa la ti dir: "Mo ti kwar piti la ti pou vinn komioner, asterla mo trouve li pe sanz lalign. Zot ti fini fer aplikasion pou met li dan pli gran lekol prive ki ti ena dan Moris. Apre so letid sekonder zot ti pou avoy li Lamerik pou al fer letid dan Iekonomi, finans ek kompyouter. So mama ti fini aste enn kompyouter pou fer so ti ledwa gagn pratik ar maous. Yandou ti kontan so kompyouter me li ti touzour prefer so bann kamion. Get kamion salte pase samem ti so pli gran plezir. Parfwa kan Yanndou ti sorti lekol, li ti pe asiz kot so lafnet, ferm so lizie, ekout kamion pase; apre li ti pe resit bann mark kamion dan so latet. Li pa ti konn zis mark, li ti konn ousi dan ki pei bann kamion la ti sorti. Li ti pe repet tou sa bann mark la sistematikman koumadir ti enn devwar lekol. Li ti fini par konn tou mark

lorries! His father said: ' This isn't possible! I think that Old Lady made a mistake. There's no way he will become a great man. It's more certain that he will be a lorry driver!' His mother said: 'Let him be! Don't do anything! It doen't matter if he becomes a lorry driver, what's wrong with that? So long as he does his work well!'

When Yanndou was a few years old, the Old Lady appeared at the door with a lorry in her hands. Yanndou's parents were surprised and said to her: 'How did you know that this child loves lorries? That's something you couldn't have known! This child will never be a great man like you said. He only likes lorries! We are certain that he will become a lorry driver. In his vocabulary there is only one word: "Lorry"!'

The Old Lady did not reply. She gave Yanndou the little lorry and left.

When Yanndou was 2 he had become an expert on lorries. The bigger the lorry was, the more he liked it. As Yanndou continued to grow, so did his love for lorries grow also. He would make his father take him to see lorries on the roads. When he saw the rubbish collection lorries he would clap his hands and shout 'Dustcarts'. His father said: 'I was sure that he would become a lorry driver, but now he seems to have changed allegiance. It's more certain that he will be a dustbin-man. Perhaps he will end up in the markets just like that old woman. She will collect rotten vegetables and he will collect them in his lorry. One day he made his father take him for a ride in a lorry. Even his mother had to give in to her capricious son. She had to sell her car to buy a small van, because Yanndou refused to travel by car.

He would say, "Go lorry! Go lorry! No car, no! Don't want car! Yanndou want Lorry!"

His parents began to have serious worries. They had already made great plans for Yanndou. They had made the application to send him to the best Private School in Mauritius. After his secondary education, they would send him to America to study economics, finance and computing. His mother had bought him a computer, to help him become used to using them, but still he preferred his lorries. Seeing a Garbage truck was for him his greatest pleasure.

Sometimes when Yanndou came back from school, he would sit by the window, close his eyes and listen to the lorries passing by. Then he would recite all the different makes stored in his head. He not only knew the makes, but also the countries that they came from. He would repeat all the makes systematically

kamion ki ti ena dan zoli pei Moris. Malgre ki so bann paran ti fini perdi lespwar lor Yanndou so lavenir, zot gran konsolasjon se ki piti la ti kontan so lekol. Li pa ti enn zeni me li ti pe fer bien dan lekol. Apre so lekzame sinior so bann paran ti desid pou avoy li Lamerik. Papa la ti dir: "Vomie li ale asterlamem. Nou bien sagren pou avoy enn zenn zanfan koumsa dan enn osi gran pei. Me, ki pou fer, kitfwa dan enn gran sant, li va sanze. Kitfwa kan li trouv lezot kitzoz li va bliye kamion enpe. Li va ena kitsoz nouvo pou okip so lespri." Apre so letid iniversiter, letan Yandou ti retourne Moris, so bann paran ti dimann li ki li ti'a konta fer. Zot ti gagn sok kan Yanndou ti reponn "kamion". So papa ti santi so latet vire. Li ti kapav tom sankonesans: " Mo finn pey tou sa banane letid la pou twa dan pei Lamerik, pou to dir mwa to pou vinn kamioner! Ki nou pou fer ar twa! Nou ena enn sel zanfan. Nou ti kwar to pou fer loner to fami!" Yandou pa ti reponn. Lespas detrwa zan apre Yanndou so retour, ti ena bann kamion kalite lor kouler lor tou sime ek partou kote dan zoli pei Moris. Koumadir ti ena enn revolision kamion. Ti ena ti kamion, gro kamion, kamion remorker, kamion derik, kamion 10 tonn, 20 tonn, 30 tonn, tousort grander, tousort longer, tousort pwa. Ti ena kamion ki ti pe ramas salte; ti ena ki ti pe fer demenazman. Lor tou sit travay ti ena gro-gro kamion. Ti ena kamion lor sit konstriksion, dan lepor, lor sit CEB. Ti ena kamion ki ti pe sarye travayer, sarye siman, sarye marsandiz. Ti ena osi kamion ki anvole, ki roul lor dilo ek anba lamer. Me tou sa bann kamion la ti ena enn zafer ankomen. Lor zot tou ti ekrir 'YANNDOU'.

as if he was doing homework. He already knew all of the makes of lorry that could be found in the beautiful Island of Mauritius.

Even though his parents had lost all hope for Yanndou's future, their greatest consolation was that their child loved his school. He was no genius, but still he did well. After his 'O' level exams, his parents decided to send him to America. His father said "Better to send him now. We are very sad to send such a young child into such a big country. But what can we do? Maybe in a new place he will change. Perhaps when he sees other things he will forget about lorries a little. He will have new things to think about.

After his university studies, Yanndou came back to Mauritius and his parents asked him what he would like to do. They had a shock when Yanndou replied "Lorries". His Father felt dizzy and nearly fainted: "Have I paid for all those years of study for you in America, for you to tell me that you want to be a lorry driver! What can we do with you, you are our only child, we had hoped you would bring honour to our family".

Yanndou made no reply.

A few years after Yanndou returned, there were all kinds and colours of lorries to be found in all corners of the island. It was as if there had been a lorry revolution.

There were small lorries, big lorries, recovery trucks, crane trucks, 10-ton trucks, 20 ton, 30 ton, all sizes, all shapes, all colours. There were lorries to collect the rubbish, removal lorries. On all work-sites there were giant lorries. In construction sites, at the docks, at the CEB. There were lorries carrying workers, carrying cement and carrying goods. There were also lorries that flew, that went on the water and under the sea.

However, all of the lorries had one thing in common. On each of them was written 'YANNDOU'.

## THE GULLING OF MALVOLIO

(EXTRACT FROM TWELFTH NIGHT BY W.  
SHAKESPEARE)

*Enter SIR TOBY BELCH and SIR ANDREW*

SIR TOBY BELCH

Approach, Sir Andrew: not to be abed after midnight is to be up betimes; and 'diluculo surgere,' thou know'st,--

SIR ANDREW

Nay, my troth, I know not: but I know, to be up late is to be up late.

SIR TOBY BELCH

A false conclusion: I hate it as an unfilled can. To be up after midnight and to go to bed then, is early: so that to go to bed after midnight is to go to bed betimes. Does not our life consist of the four elements?

SIR ANDREW

Faith, so they say; but I think it rather consists of eating and drinking.

SIR TOBY BELCH

Thou'rt a scholar; let us therefore eat and drink.

Marian, I say! a stoup of wine!

*Enter Clown*

SIR ANDREW

Here comes the fool, i' faith.

CLOWN

How now, my hearts! did you never see the picture of 'we three'?

SIR TOBY BELCH

Welcome, ass. Now let's have a catch.

SIR ANDREW

By my troth, the fool has an excellent breast. I had rather than forty shillings I had such a leg, and so sweet a breath to sing, as the fool has. In sooth, thou wast in very gracious fooling last night, when thou spakest of Pigrogromitus, of the Vapians passing the equinoctial of Queubus: 'twas very good, i' faith. I sent thee sixpence for thy leman: hadst it?

CLOWN

I did impeticos thy gratillity; for Malvolio's nose is no whipstock: my lady has a white hand, and the Myrmidons are no bottle-ale houses.

SIR ANDREW

Excellent! why, this is the best fooling, when all is done. Now, a song.

SIR TOBY BELCH

Come on; there is sixpence for you: let's have a song.

SIR ANDREW

There's a testril of me too: if one knight give a--

CLOWN

Would you have a love-song, or a song of good life?

SIR TOBY BELCH

A love-song, a love-song.

SIR ANDREW

Ay, ay: I care not for good life.

CLOWN

[Sings]

O mistress mine, where are you roaming?  
O, stay and hear; your true love's coming,  
That can sing both high and low:  
Trip no further, pretty sweeting;  
Journeys end in lovers meeting,  
Every wise man's son doth know.

SIR ANDREW

Excellent good, i' faith.

SIR TOBY BELCH

Good, good.

CLOWN

[Sings]

What is love? 'tis not hereafter;  
Present mirth hath present laughter;  
What's to come is still unsure:  
In delay there lies no plenty;  
Then come kiss me, sweet and twenty,  
Youth's a stuff will not endure.

SIR ANDREW

A mellifluous voice, as I am true knight.

SIR TOBY BELCH

A contagious breath.

SIR ANDREW

Very sweet and contagious, i' faith.

SIR TOBY BELCH

To hear by the nose, it is dulcet in contagion. But shall we make the welkin dance indeed? shall we rouse the night-owl in a catch that will draw three souls out of one weaver? shall we do that?

SIR ANDREW

An you love me, let's do't: I am dog at a catch.

Clown

By'r lady, sir, and some dogs will catch well.

SIR ANDREW

Most certain. Let our catch be, 'Thou knave.'

CLOWN

'Hold thy peace, thou knave,' knight? I shall be constrained in't to call thee knave, knight.

SIR ANDREW

'Tis not the first time I have constrained one to call me knave. Begin, fool: it begins 'Hold thy peace.'

CLOWN

I shall never begin if I hold my peace.

SIR ANDREW

Good, i' faith. Come, begin.

*Catch sung*

Enter MARIA

MARIA

'There dwelt a man in Babylon, lady, lady!'

CLOWN

Besrew me, the knight's in admirable fooling.

SIR ANDREW

Ay, he does well enough if he be disposed, and so do I too: he does it with a better grace, but I do it more natural.

SIR TOBY BELCH

[Sings] 'O, the twelfth day of December,'--

MARIA

For the love o' God, peace!

*Enter MALVOLIO*

MALVOLIO

My masters, are you mad? or what are you? Have ye no wit, manners, nor honesty, but to gabble like tinkers at this time of night? Do ye make an alehouse of my lady's house, that ye squeak out your coziers' catches without any mitigation or remorse of voice? Is there no respect of place, persons, nor time in you?

SIR TOBY BELCH

We did keep time, sir, in our catches. Sneck up!

MALVOLIO

Sir Toby, I must be round with you. My lady bade me tell you, that, though she harbours you as her kinsman, she's nothing allied to your disorders. If you can separate yourself and your misdemeanors, you are welcome to the house; if not, an it would please you to take leave of her, she is very willing to bid you farewell.

SIR TOBY BELCH

'Farewell, dear heart, since I must needs be gone.'

MARIA

Nay, good Sir Toby.

CLOWN

'His eyes do show his days are almost done.'

MALVOLIO

Is't even so?

SIR TOBY BELCH

'But I will never die.'

CLOWN

Sir Toby, there you lie.

MALVOLIO

This is much credit to you.

SIR TOBY BELCH

'Shall I bid him go?'

CLOWN

'What an if you do?'

SIR TOBY BELCH

'Shall I bid him go, and spare not?'

CLOWN

'O no, no, no, no, you dare not.'

SIR TOBY BELCH

Out o' tune, sir: ye lie. Art any more than a steward?

Dost thou think, because thou art virtuous, there shall be no more cakes and ale?

**SIR ANNDROU**

Clown

Yes, by Saint Anne, and ginger shall be hot i' the mouth too.

SIR TOBY BELCH

Thou'rt i' the right. Go, sir, rub your chain with crumbs. A stoup of wine, Maria!

MALVOLIO

Mistress Mary, if you prized my lady's favour at any thing more than contempt, you would not give means for this uncivil rule: she shall know of it, by this hand.

*Exit*

MARIA

Go shake your ears.

SIR ANDREW

'Twere as good a deed as to drink when a man's a-hungry, to challenge him the field, and then to break promise with him and make a fool of him.

SIR TOBY BELCH

Do't, knight: I'll write thee a challenge: or I'll deliver thy indignation to him by word of mouth.

MARIA

Sweet Sir Toby, be patient for tonight: since the youth of the count's was today with thy lady, she is much out of quiet. For Monsieur Malvolio, let me alone with him: if I do not gull him into a nayword, and make him a common recreation, do not think I have wit enough to lie straight in my bed: I know I can do it.

SIR TOBY BELCH

Possess us, possess us; tell us something of him.

MARIA

Marry, sir, sometimes he is a kind of puritan.

SIR ANDREW

O, if I thought that I'd beat him like a dog!

SIR TOBY BELCH

What, for being a puritan? thy exquisite reason, dear knight?

SIR ANDREW

I have no exquisite reason for't, but I have reason good enough.

MARIA

The devil a puritan that he is, or any thing constantly, but a time-pleaser; an affectioned ass, that cons state without book and utters it by great swarths: the best persuaded of himself, so crammed, as he thinks, with excellencies, that it is his grounds of faith that all that look on him love him; and on that vice in him will my revenge find notable cause to work.

SIR TOBY BELCH

What wilt thou do?

MARIA

I will drop in his way some obscure epistles of love; wherein, by the colour of his beard, the shape of his leg, the manner of his gait, the expressure of his eye, forehead, and complexion, he shall find himself most feelingly personated. I can write very like my lady your niece: on a forgotten matter we can hardly make distinction of our hands.

bay-bay Sir Toby.

**SIR TOBY**

(*Li sante*) Salam, bay-bay, avidesein, sayonara;

Salam, bay-bay, avidesein, sayonara;

Excellent! I smell a device.

SIR ANDREW

I have't in my nose too.

SIR TOBY BELCH

He shall think, by the letters that thou wilt drop, that they come from my niece, and that she's in love with him.

MARIA

My purpose is, indeed, a horse of that colour.

SIR ANDREW

And your horse now would make him an ass.

MARIA

Ass, I doubt not.

SIR ANDREW

O, 'twill be admirable!

MARIA

Sport royal, I warrant you: I know my physic will work with him. I will plant you two, and let the fool make a third, where he shall find the letter: observe his construction of it. For this night, to bed, and dream on the event. Farewell.

*Exit*

SIR TOBY BELCH

Good night, Penthesilea.

SIR ANDREW

Before me, she's a good wench.

SIR TOBY BELCH

She's a beagle, true-bred, and one that adores me: what o' that?

SIR ANDREW

I was adored once too.

SIR TOBY BELCH

Let's to bed, knight. Thou hadst need send for more money.

SIR ANDREW

If I cannot recover your niece, I am a foul way out.

SIR TOBY BELCH

Send for money, knight: if thou hast her not i' the end, call me cut.

SIR ANDREW

If I do not, never trust me, take it how you will.

SIR TOBY BELCH

Come, come, I'll go burn some sack; 'tis too late to go to bed now: come, knight; come, knight.

*Exeunt*

SCENE V. OLIVIA's garden.

*Enter SIR TOBY BELCH, SIR ANDREW, and FABIAN*

SIR TOBY BELCH

Come thy ways, Signior Fabian.

FABIAN

Nay, I'll come: if I lose a scruple of this sport, let me be boiled to death with melancholy.

SIR TOBY BELCH

Wouldst thou not be glad to have the niggardly rascally sheep-biter come by some notable shame?

**SIR TOBY**

Bonswar O Kamasoutra!

**SIR ANNDROU**

FABIAN  
I would exult, man: you know, he brought me out o' favour with my lady about a bear-baiting here.

SIR TOBY BELCH  
To anger him we'll have the bear again; and we will fool him black and blue: shall we not, Sir Andrew?

SIR ANDREW  
An we do not, it is pity of our lives.

SIR TOBY BELCH  
Here comes the little villain.

*Enter MARIA*  
How now, my metal of India!

MARIA  
Get ye all three into the box-tree: Malvolio's coming down this walk: he has been yonder i' the sun practising behavior to his own shadow this half hour: observe him, for the love of mockery; for I know this letter will make a contemplative idiot of him. Close, in the name of jesting! Lie thou there, (*Throws down a letter*) for here comes the trout that must be caught with tickling.

*Exit*

*Enter MALVOLIO*  
MALVOLIO  
'Tis but fortune; all is fortune. Maria once told me she did affect me: and I have heard herself come thus near, that, should she fancy, it should be one of my complexion. Besides, she uses me with a more exalted respect than any one else that follows her. What should I think on't?

SIR TOBY BELCH  
Here's an overweening rogue!

FABIAN  
O, peace! Contemplation makes a rare turkey-cock of him: how he jets under his advanced plumes!

SIR ANDREW  
'Slight, I could so beat the rogue!

SIR TOBY BELCH  
Peace, I say.

MALVOLIO  
To be Count Malvolio!

SIR TOBY BELCH  
Ah, rogue!

SIR ANDREW  
Pistol him, pistol him.

SIR TOBY BELCH  
Peace, peace!

MALVOLIO  
There is example for't; the lady of the Strachy married the yeoman of the wardrobe.

SIR ANDREW  
Fie on him, Jezebel!

FABIAN  
O, peace! now he's deeply in: look how imagination blows him.

**SIR TOBY BELCH**

O, for a stone-bow, to hit him in the eye!

**MALVOLIO**

Calling my officers about me, in my branched velvet gown; having come from a day-bed, where I have left Olivia sleeping,--

**SIR TOBY BELCH**

Fire and brimstone!

**FABIAN**

O, peace, peace!

**MALVOLIO**

And then to have the humour of state; and after a demure travel of regard, telling them I know my place as I would they should do theirs, to for my kinsman Toby,--

**SIR TOBY BELCH**

Bolts and shackles!

**FABIAN**

O peace, peace, peace! now, now.

**MALVOLIO**

Seven of my people, with an obedient start, make out for him: I frown the while; and perchance wind up watch, or play with my--some rich jewel. Toby approaches; courtesies there to me,--

**SIR TOBY BELCH**

Shall this fellow live?

**FABIAN**

Though our silence be drawn from us with cars, yet peace.

**MALVOLIO**

I extend my hand to him thus, quenching my familiar smile with an austere regard of control,--

**SIR TOBY BELCH**

And does not Toby take you a blow o' the lips then?

**MALVOLIO**

Saying, 'Cousin Toby, my fortunes having cast me on your niece give me this prerogative of speech,'--

**SIR TOBY BELCH**

What, what?

**MALVOLIO**

'You must amend your drunkenness.'

**SIR TOBY BELCH**

Out, scab!

**FABIAN**

Nay, patience, or we break the sinews of our plot.

**MALVOLIO**

'Besides, you waste the treasure of your time with a foolish knight,'--

**SIR ANDREW**

That's me, I warrant you.

**MALVOLIO**

SIR TOBY BELCH

O, peace! and the spirit of humour intimate reading aloud to him!

MALVOLIO

By my life, this is my lady's hand these be her very C's, her U's and her T's and thus makes she her great P's. It is, in contempt of question, her hand.

SIR ANDREW

Her C's, her U's and her T's: why that?

MALVOLIO

[Reads] 'To the unknown beloved, this, and my good wishes:'--her very phrases! By your leave, wax. Soft! and the impressure her Lucrece, with which she uses to seal: 'tis my lady. To whom should this be?

FABIAN

This wins him, liver and all.

MALVOLIO

[Reads]

Jove knows I love: But who?

Lips, do not move;

No man must know.

'No man must know.' What follows? the numbers altered! 'No man must know:' if this should be thee, Malvolio?

SIR TOBY BELCH

Marry, hang thee, brock!

MALVOLIO

[Reads]

I may command where I adore;  
But silence, like a Lucrece knife,  
With bloodless stroke my heart doth gore:  
M, O, A, I, doth sway my life.

FABIAN

A fustian riddle!

SIR TOBY BELCH

Excellent wench, say I.

MALVOLIO

'M, O, A, I, doth sway my life.' Nay, but first, let me see, let me see, let me see.

FABIAN

What dish o' poison has she dressed him!

SIR TOBY BELCH

And with what wing the staniel cheques at it!

MALVOLIO

'I may command where I adore.' Why, she may command me: I serve her; she is my lady. Why, this is evident to any formal capacity; there is no obstruction in this: and the end,--what should that alphabetical position portend? If I could make that resemble something in me,--Softly! M, O, A, I,--

SIR TOBY BELCH

O, ay, make up that: he is now at a cold scent.

FABIAN

Sowter will cry upon't for all this, though it be as rank as a fox.

Did not I say he would work it out? the cur is excellent at faults.

MALVOLIO

M,--but then there is no consonancy in the sequel; that suffers under probation A should follow but O does.

FABIAN

And O shall end, I hope.

SIR TOBY BELCH

Ay, or I'll cudgel him, and make him cry O!

MALVOLIO

And then I comes behind.

FABIAN

Ay, an you had any eye behind you, you might see more detraction at your heels than fortunes before you.

MALVOLIO

M, O, A, I; this simulation is not as the former: and yet, to crush this a little, it would bow to me, for every one of these letters are in my name. Soft! here follows prose.

*Reads*

'If this fall into thy hand, revolve. In my stars I am above thee; but be not afraid of greatness: some are born great, some achieve greatness, and some have greatness thrust upon 'em. Thy Fates open their hands; let thy blood and spirit embrace them; and, to inure thyself to what thou art like to be, cast thy humble slough and appear fresh. Be opposite with a kinsman, surly with servants; let thy tongue tang arguments of state; put thyself into the trick of singularity: she thus advises thee

that sighs for thee. Remember who commended thy yellow stockings, and wished to see thee ever cross-gartered: I say, remember. Go to, thou art made, if thou desirest to be so; if not, let me see thee a steward still, the fellow of servants, and not worthy to touch Fortune's fingers. Farewell. She that would alter services with thee, THE FORTUNATE-UNHAPPY.'

Daylight and champaign discovers not more: this is open. I will be proud, I will read politic authors, I will baffle Sir Toby, I will wash off gross acquaintance, I will be point-devise the very man. I do not now fool myself, to let imagination jade me; for every reason excites to this, that my lady loves me. She did commend my yellow stockings of late, she did praise my leg being cross-gartered; and in this she manifests herself to my love, and with a kind of injunction drives me to these habits

of her liking. I thank my stars I am happy. I will be strange, stout, in yellow stockings, and cross-gartered, even with the swiftness of putting on. Jove and my stars be praised! Here is yet a postscript.

*Reads*

'Thou canst not choose but know who I am. If thou entertainest my love, let it appear in thy smiling;

Nay, but say true; does it work upon him?

**SIR TOBY BELCH**

Like aqua-vitae with a midwife.

**MARIA**

If you will then see the fruits of the sport, mark his first  
approach before my lady: he will come to her in yellow  
stockings, and 'tis a colour she abhors, and cross-  
gartered, a fashion she detests; and he will smile upon  
her, which will now be so unsuitable to her disposition,  
being addicted to a melancholy as she is, that it cannot  
but turn him into a notable contempt. If you will see it,  
follow me.

You must needs yield your reason, Sir Andrew.

**SIR ANDREW**

Marry, I saw your niece do more favours to the count's serving-man than ever she bestowed upon me; I saw't i' the orchard.

**SIR TOBY BELCH**

Did she see thee the while, old boy? tell me that.

**SIR ANDREW**

As plain as I see you now.

**FABIAN**

This was a great argument of love in her toward you.

**SIR ANDREW**

'Slight, will you make an ass o' me?

**FABIAN**

I will prove it legitimate, sir, upon the oaths of judgment and reason.

**SIR TOBY BELCH**

And they have been grand-jury-men since before Noah was a sailor.

**FABIAN**

She did show favour to the youth in your sight only to exasperate you, to awake your dormouse valour, to put fire in your heart and brimstone in your liver. You should then have accosted her; and with some excellent jests, fire-new from the mint, you should have banged the youth into dumbness. This was looked for at your hand, and this was balked: the double gilt of this opportunity you let time wash off, and you are now sailed into the north of my lady's opinion; where you will hang like an icicle on a Dutchman's beard, unless you do redeem it by some laudable attempt either of valour or policy.

**SIR ANDREW**

An't be any way, it must be with valour; for policy I hate: I had as lief be a Brownist as a politician.

**SIR TOBY BELCH**

Why, then, build me thy fortunes upon the basis of valour. Challenge me the count's youth to fight with him; hurt him in eleven places: my niece shall take note of it; and assure thyself, there is no love-broker in the world can more prevail in man's commendation with woman than report of valour.

**FABIAN**

There is no way but this, Sir Andrew.

**SIR ANDREW**

Will either of you bear me a challenge to him?

**SIR TOBY BELCH**

Go, write it in a martial hand; be curst and brief; it is no matter how witty, so it be eloquent and fun of invention: taunt him with the licence of ink: if thou thou'st him some thrice, it shall not be amiss; and as many lies as will lie in thy sheet of paper, although the sheet were big enough for the bed of Ware in England, set 'em down: go, about it. Let there be gall enough in thy ink, though thou write with a goose-pen, no matter: about it.

SIR TOBY BELCH  
I have been dear to him, lad, some two thousand strong, or so.

FABIAN  
We shall have a rare letter from him: but you'll not deliver't?

SIR TOBY BELCH  
Never trust me, then; and by all means stir on the youth to an answer. I think oxen and wainropes cannot hale them together. For Andrew, if he were opened, and you find so much blood in his liver as will clog the foot of a flea, I'll eat the rest of the anatomy.

FABIAN  
And his opposite, the youth, bears in his visage no great presage of cruelty.

*Enter MARIA*

SIR TOBY BELCH  
Look, where the youngest wren of nine comes.

MARIA  
If you desire the spleen, and will laugh yourself into stitches, follow me. Yond gull Malvolio is turned heathen, a very renegado; for there is no Christian, that means to be saved by believing rightly, can ever believe such impossible passages of grossness. He's in yellow stockings.

SIR TOBY BELCH  
And cross-gartered?

MARIA  
Most villainously; like a pedant that keeps a school i' the church. I have dogged him, like his murderer. He does obey every point of the letter that I dropped to betray him: he does smile his face into more lines than is in the new map with the augmentation of the Indies: you have not seen such a thing as 'tis. I can hardly forbear hurling things at him. I know my lady will strike him: if she do, he'll smile and take't for a great favour.

SIR TOBY BELCH  
Come, bring us, bring us where he is.

**MALVOLIO**

Sweet lady, ho, ho.

**OLIVIA**

Smilest thou?

I sent for thee upon a sad occasion.

**MALVOLIO**

Sad, lady! I could be sad: this does make some obstruction in the blood, this cross-gartering; but what of that? if it please the eye of one, it is with me as the very true sonnet is, 'Please one, and please all.'

**OLIVIA**

Why, how dost thou, man? what is the matter with thee?

**MALVOLIO**

Not black in my mind, though yellow in my legs. It did come to his hands, and commands shall be executed: I think we do know the sweet Roman hand.

I'll come to him.

*Exit Servant*

Good Maria, let this fellow be looked to. Where's my cousin Toby? Let some of my people have a special care of him: I would not have him miscarry for the half of my dowry.

*Exeunt OLIVIA and MARIA*

**MALVOLIO**

O, ho! do you come near me now? no worse man than Sir Toby to look to me! This concurs directly with the letter: she sends him on purpose, that I may appear stubborn to him; for she incites me to that in the letter. 'Cast thy humble slough,' says she; 'be opposite with a kinsman, surly with servants; let thy tongue tang with arguments of state; put thyself into the trick of singularity;' and consequently sets down the manner how; as, a sad face, a reverend carriage, a slow tongue, in the habit of some sir of note, and so forth. I have limed her; but it is Jove's doing, and Jove make me thankful! And when she went away now, 'Let this fellow be looked to:' fellow! not Malvolio, nor after my degree, but fellow. Why, every thing adheres together, that no dram of a scruple, no scruple of a scruple, no obstacle, no incredulous or unsafe circumstance--What can be said? Nothing that can be can come between me and the full prospect of my hopes. Well, Jove, not I, is the doer of this, and he is to be thanked.

*Re-enter MARIA, with SIR TOBY BELCH and FABIAN  
SIR TOBY BELCH*

Which way is he, in the name of sanctity? If all the devils of hell be drawn in little, and Legion himself possessed him, yet I'll speak to him.

**FABIAN**

Here he is, here he is. How is't with you, sir? how is't

'Ena vinn gran parski pli gran fer li vinn gran.'

**MARIA**

Lo, how hollow the fiend speaks within him! did not I tell you? Sir Toby, my lady prays you to have a care of him.

**MALVOLIO**

Ah, ha! does she so?

**SIR TOBY BELCH**

Go to, go to; peace, peace; we must deal gently with him: let me alone. How do you, Malvolio? how is't with you? What, man! defy the devil: consider, he's an enemy to mankind.

**MALVOLIO**

Do you know what you say?

**MARIA**

La you, an you speak ill of the devil, how he takes it at heart! Pray God, he be not bewitched!

**FABIAN**

Carry his water to the wise woman.

**MARIA**

Marry, and it shall be done to-morrow morning, if I live. My lady would not lose him for more than I'll say.

**MALVOLIO**

How now, mistress!

**MARIA**

O Lord!

**SIR TOBY BELCH**

Prithee, hold thy peace; this is not the way: do you not see you move him? let me alone with him.

**FABIAN**

No way but gentleness; gently, gently: the fiend is rough, and will not be roughly used.

**SIR TOBY BELCH**

Why, how now, my bawcock! how dost thou, chuck?

**MALVOLIO**

Sir!

**SIR TOBY BELCH**

Ay, Biddy, come with me. What, man! 'tis not for gravity to play at cherry-pit with Satan: hang him, foul collier!

**MARIA**

Get him to say his prayers, good Sir Toby, get him to pray.

**MALVOLIO**

My prayers, minx!

**MARIA**

No, I warrant you, he will not hear of godliness.

**MALVOLIO**

Go, hang yourselves all! you are idle shallow things: I am not of your element: you shall know more hereafter.

*Exit*

**SIR TOBY BELCH**

**FABIAN**

If this were played upon a stage now, I could condemn

FABIAN

Why, we shall make him mad indeed.

MARIA

The house will be the quieter.

SIR TOBY BELCH

Come, we'll have him in a dark room and bound. My  
niece is already in the belief that he's mad: we  
may carry it thus, for our pleasure and his penance...
